Past Medals and Awards of the Star Army of Nepleslia

The Star Army of Nepleslia rewards service and exceptional actions both on and off the battlefield well, full well knowing the effects of positive reinforcement on morale and behaviour. To this extent, it has created several medals and awards, each with their own prestige and honor. Many of these have counterparts in the Star Army of Yamatai, who still uses copies taken at the founding of the Empire.

Ribbon Bars and Medals

Ribbon bars are small devices that are worn by Military, Police, Fire Service personnel or by civilians. Ribbon bars are mainly used when wearing either the full decoration or medal is considered inappropriate. Each military force has its own rules on what ribbons are worn in which order of precedence. The medal equivalents are roughly 1/4 the size of a Nepleslian's male's hands. These are usually too impractical to be worn all the time, and are usually kept in Medal Boxes or Cases for display and storage.
