Nepleslian Medical Kit (Type 31/Gen 1)

The Nepleslian Medical Kit is a portable basic combat first aid and field medicine kit.

Price: 39.99 KS (typical surplus store price).

History

Designed by the Nepleslian Medical Association, medicinal kits were first produced in YE 31 for use in the Second Mishhuvurthyar War.

The is standard issue in the Star Military of the Democratic Imperium of Nepleslia including the Nepleslian Space Marine Corps and Nepleslian Star Navy from YE 31 to YE 42 when they were phased out in favor of the Nepleslian Medical Kit Gen.2. This medical kit can still be found in some places in the Nepleslian military and in civilian use as military surplus.

Design

Useful for small injuries but lacking supplies for serious injuries. The contents are stored in a tin container.

Contents

- Bottle of Industrial Cleaning Alcohol (usually the first to go)
