Star Military of the Democratic Imperium of Nepleslia

The Star Military of Nepleslia (aka The Greens) is the military arm of the Democratic Imperium of Nepleslia. It primarily consists of the Nepleslian Star Navy (NSN) and the Nepleslian Space Marine Corps (NSMC).

History

Much of YE 28 was spent organizing personnel and planning military strategy. Only in the year YE 29 did production kick off at a rapid pace, spurred by the growth of Nepleslian Arms and Munitions and threats to the security of the empire.

In YE 33 (OOC: May 2011), the Nepeslian military underwent major reforms and the marine organization was named the Nepleslian Space Marine Corps (NSMC) and began using the tri-color patch[1)].
