

# Sakura Clan

The Sakura clan primarily consists of the [Nekovalkyrja](#), mostly former [sprites](#), who were created aboard the original [YSS Sakura](#), and their offspring. Most of the original clan members are named after fruits or flavors, and they are all loyal veteran soldiers of the [Star Army of Yamatai](#). Most of the Sakura [clan](#) has worked with [Hanako](#) and the clan has a good reputation with the [Ketsurui Clan](#).

## List of Sakura Clan Members

1. [Apple](#)
2. [Sakura Blackberry](#)
3. [Sakura Blueberry](#)
4. [Sakura Cinnamon](#)
5. [Sakura Cherry](#)
6. [Mango](#)
7. [Peppermint](#)
8. [Pineapple](#)
9. [Sakura Sunflower](#)

Also, although [Lime](#) was created by the [YSS Eucharis](#) rather than the YSS Sakura, she is considered an honorary member of the Sakura clan due to working closely with several of the other members for so long.
