Veronica Defense Sector

The Veronica Defense Sector is the 30 LY diameter ring formed around the [Veronica](#) system as well as the [Chiharu no lori](#). It had a network of [No-H1-1a - Kante Border Monitoring Station](#), and was beefed up with the inclusion of a network of [Star Army FTL Sensor Drones](#). This provides local [Second Expeditionary Fleet](#) forces with a decisive defensive advantage against aggressive forces.
