Shout out to custompatches.net for giving me much better quality patches than my original supplier, and at better prices.

Hinomaru

The original Star Army Hinomaru is now considered pretty rare. There were 50 made in 2007. The special edition was made in 2014, and has a chrome gold Mindy armor on it. There were 100 made in November 2014. They are heat-seal (iron-on).
