Chateau Hanako

Chateau Hanako is a huge estate on Hanako's World, known primarily for being the center of the planet's distilleries and vineyards (but not the breweries). It is owned by Hanako, although day-to-day operations are managed by employees since Hanako is off saving the universe in the Star Army of Yamatai. As of YE 40 the palace and winery grounds have also started to host weddings on a regular basis.

The Chateau is home to Hanako's Palace.
