Defenses

The Defense Networks consist of Zodiac-class Star Fortresses (each equipped with very long range sensors and weapons), hundreds of Kante-class stations, and hundreds of thousands of PANTHEON'S EYE sensor drones. Other, less common equipment is also mixed in, such as various special sensors, superweapons, and hulked starship hulls converted into stationary or short-range mobile automatic gun platforms.

- An enormous network of sensor probes lines the inner and outer borders (on either side of the FTL Deadzones).
- First Expeditionary Fleet
- Sixth Fleet
- Various military bases
