Kikyo Sector

Most of the roleplay in Star Army has historically happened in an area of space known as the Kikyo Sector.

For a list of star systems, see Star Systems.

Map

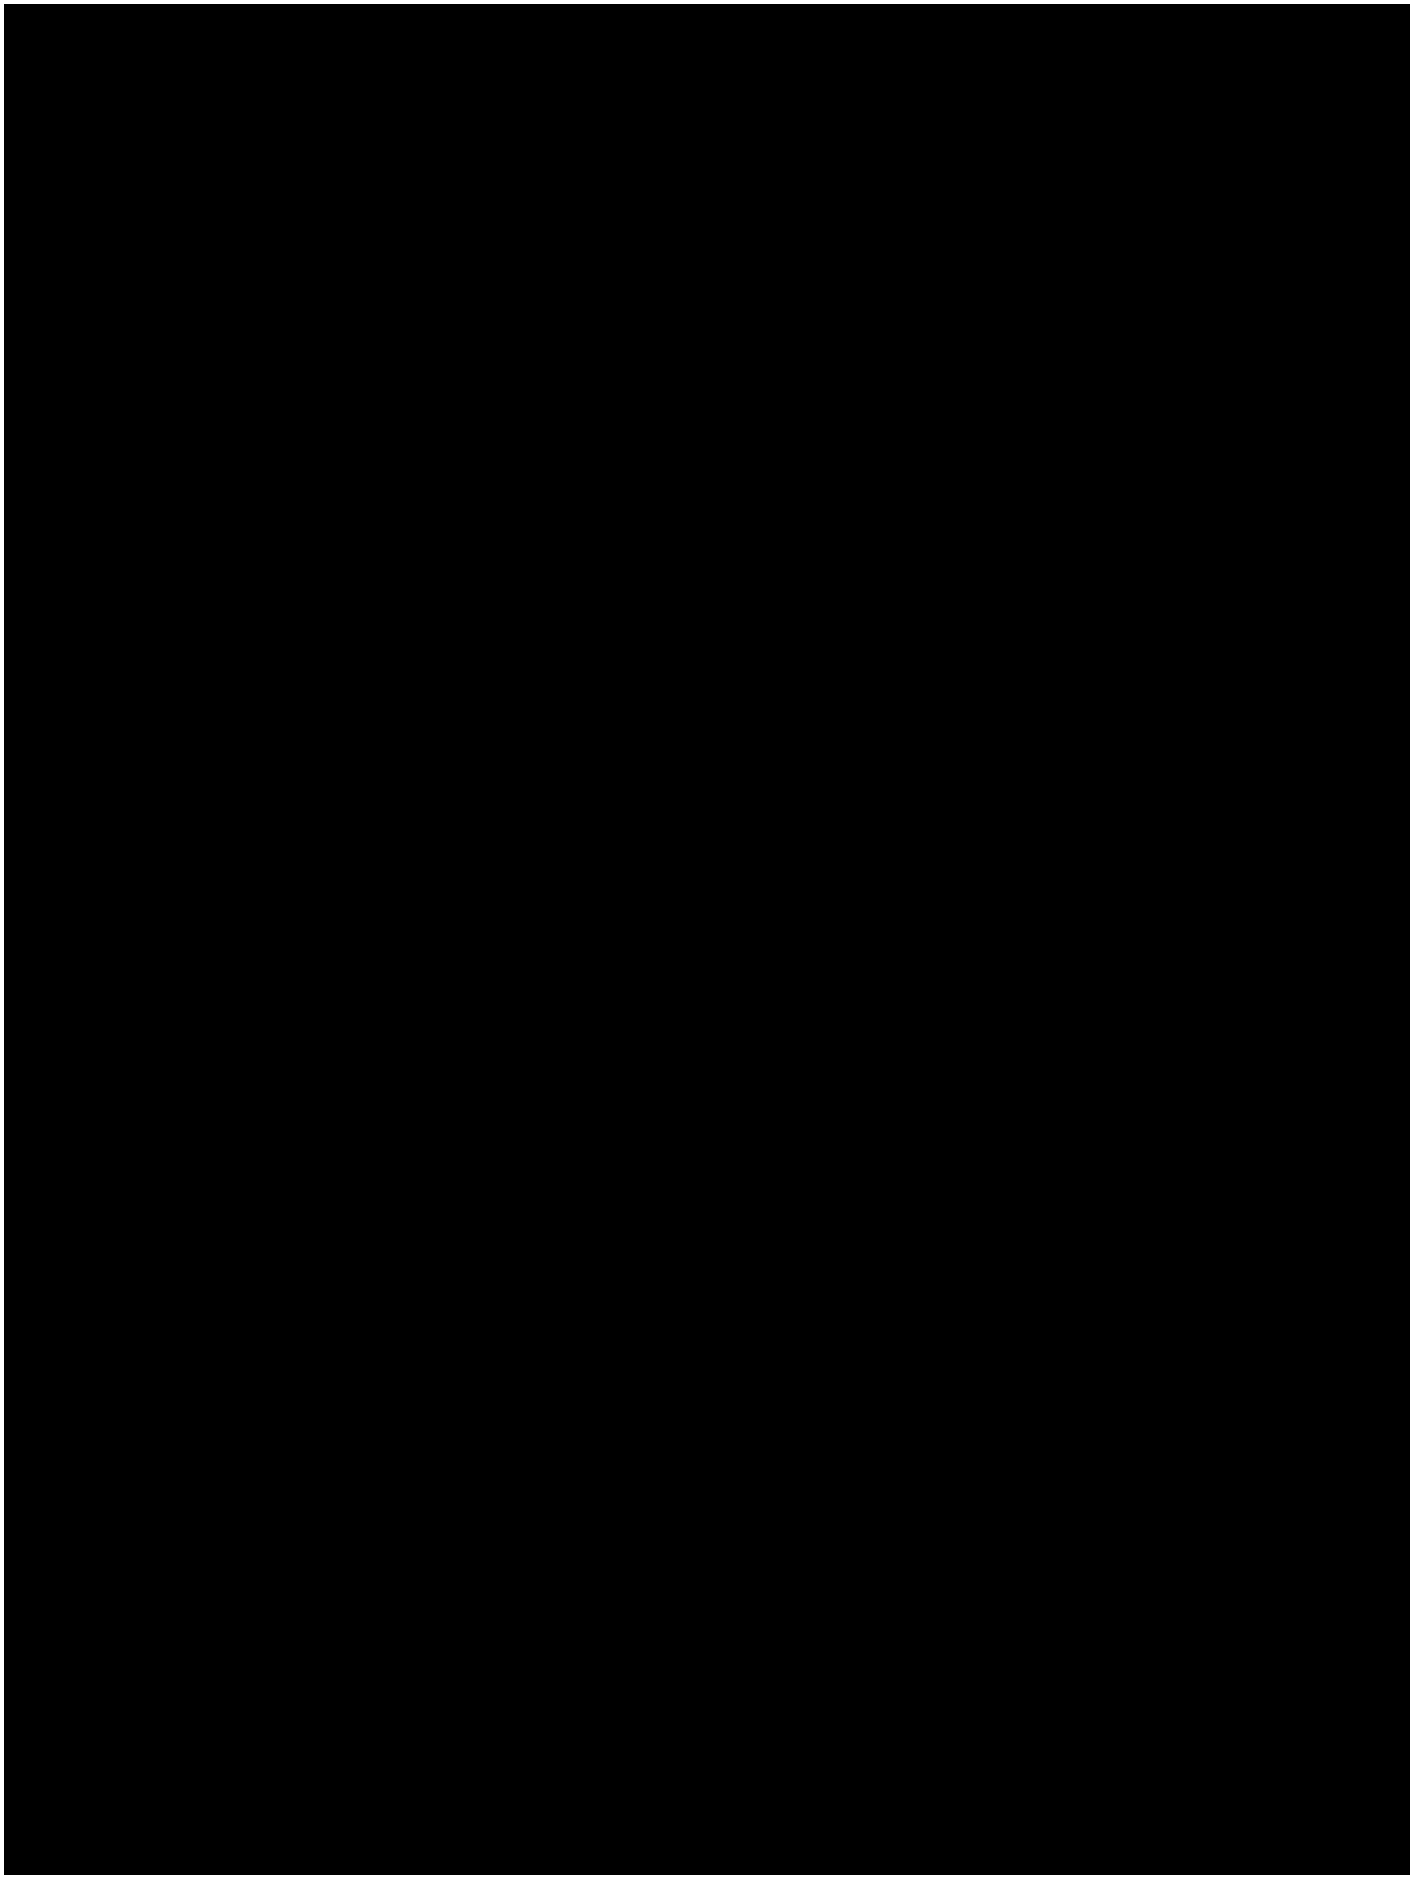

The main map of the Kikyo Sector is available below. Traditionally, we've referred to the left side of the map as “West” but the left side of the map is also “coreward” (towards the center of the Kagami Galaxy).

Grid squares are 8 LY on each side.

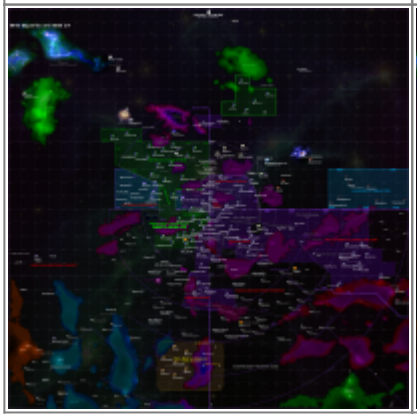

Dynamic Map

This is the new dynamic map we started using in 2022.

Images

Before implementing the dynamic map, we used to manually update the map. Here's the last version of those images:
