NH-33 Series Nekovalkyrja

First manufactured and available in late YE 33, The NH-33 Nekovalkyrja is the latest in the line of Nekovalkyrja, it is an upgrade for both the civilian and military citizens of the yamatai_star_empire. The NH-33 was developed by Ketsurui Zaibatsu to further integrate the races; by creating a new species with a civilian form that could be weaponized easily. It also offers a soldier form that could be integrated into normal life after service.
