

Nekovalkyrja, Type 33

First manufactured and available in late [YE 33](#), The NH-33 Nekovalkyrja is the latest in the line of [Nekovalkyrja](#) created by [Ketsurui Zaibatsu](#) for use in military service to the [Yamatai Star Empire](#). This model of Nekovalkyrja also served to further integrate the species of Yamatai by taking into account post-military life. To accomplish this, the NH-33/Type 33 Nekovalkyrja has a “default” and a more powerful “weaponized” state that is active during military service.
