## Civilian Medals and Awards of the Star Army of Yamatai

These medals and ribbons are awarded to those civilians who deserve them and prove themselves worthy in service to the Star Army of Yamatai and the Yamatai Star Empire.

While there are no formal rules for where or how these medals should be worn, they are usually arranged in imitation of the standard Star Army uniform display.

Civilian medals may be worn on non-Star Army uniforms if the military, government or organization represented has approved the display. Wearing these awards on non-formal clothing is generally frowned upon. When medals are worn, and there are multiples of a certain medal, a numerical pin is worn on top of the award ribbon — "4" for four of the same medal. These pins are normally provided along with subsequent medals.
