Star Army Characters

This is the hub for identifying, listing, and finding the many characters in the Star Army. The Star Army of Yamatai is made of a vast number of player and non-player characters who fulfill every imaginable role from fleet admiral to basic grunt, each important in their own way.

There are multiple ways to find Star Army of Yamatai characters. The main way is to use the list below, which is pulled from the Star Army Personnel Database. All character pages flagged as active duty or reserve members of the Star Army of Yamatai. Fields are searchable. To update the information in this section, edit the structured data fields on the individual character pages. You can also see lists of characters by rank or occupations on their respective pages.

Active Duty
