# Star Army First Aid Kit, Type 32

The Type 32 First Aid Kit is an individual first aid kit for use by members of the Star Army of Yamatai it became available in YE 32.

## Purpose

The Type 32 First Aid Kit is an individual emergency first aid kit. It allows the individual to treat their own minor injuries and those of their fellow soldiers. It is intended to allow the soldier to take care of injuries until such time as medical person arrive.

## Description

The kit is contained in a watertight plastic case, latch to secure the lid and make a seal. The case is blue with the Star Army Medical symbol on the top. It is also common for planetary soldiers to paint the case in camouflage colors and patterns. In YE 38, the Star Army finally started issuing these in RIKUPAT.

The case has two belt hooks on the back to allow it to be attached to a belt. It also has a latch and hook patch in the center of the back to allow it to be attached to a like equipped surface. Dimensions: 16.51cm (6.5“} L x 7.65cm (3”) H x 5.08cm (2.0“) D. Two tamper stickers are put on it prior to issue to show that the kit has not been opened. The date inspected as well is on the top of the kit just beneath the nomenclature.
