

# Fifth Expeditionary Fleet

The Fifth Expeditionary Fleet of the [Star Army of Yamatai](#) is an expeditionary fleet devoted to the colonization and exploration of new [Star Systems](#). It is under the command of [Ketsurui-Motoyoshi Katsuko](#). The Fleet is responsible for the colonization and exploration of many [star systems](#). Its first term of service was between [YE 28](#) and [YE 30](#). It was re-established in [YE 44.7](#) by [Taisho Ketsurui Yui](#) and once again placed under the command of [Ketsurui-Motoyoshi Katsuko](#).<sup>1)</sup>

The current motto is:

*“Eternally Vigilant, Forever Forwards”*

## YE 28

In [YE 28](#):

- [Fifth Expeditionary Fleet](#) created after [Galaxy Expeditionary Group](#) returns home from a successful mission. Ships from the expeditionary group are allocated to the new fleet.
- Command of the fleet given to [Ketsurui-Motoyoshi Katsuko](#) by [Ketsurui Yui](#)
- *YSS Namiko*, a [Kyoto-class Carrier](#) serves as flagship for the fleet.
- [Shimizu-Motoyoshi Akina](#) (清水本吉明菜) selected as first officer and second in command of the fleet.
- [Corro Adlich](#) named as Delta Power Armor Wing Leader.

## Colonization of Taiie & The Bard Cluster

- The Fleet proceeds to the [Bard Cluster](#) and [Taiie](#) is selected for colonization.
- [Taiie](#) becomes headquarters for the Fleet.
- [Ahmar](#) explored.
- [Ahrbeg](#) explored.
- [Akina System](#) colonized.
- [Goumon](#) colony prison constructed.
- [Kilnar](#) explored.
- [Mevar](#) explored.
- [Murf](#) determined to be unstable, possible [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#) infestation suspected.
- [Talori](#) explored
- [Tsuyosa](#) explored.
- [Yicquibu](#) explored.

## Post Taiie Colonization

- [YSS Akuro](#) allocated as flagship for the fleet.
- [17th Kasairyuu Power Armor Wing](#) is formed initially as 21st Armor Wing, switched to 17th for administrative purposes later.
- [Motoyoshi Kiyoko](#) created.
- Shosa Yoshike commits treason and sabotages the Akuro and several other vessels in the fleet. Her and her supporters hijack several ships are eventually stopped thanks to the 17th Armor Wing.
- [Yukari Freeman](#) assigned as Flag Aide.

## YE 29

### Ichiro Incident

- [Taiie no lori](#) Incident: the [KAMI](#) unit of the lori went mad and began infecting and killing the crew. [Yukari Freeman](#), along with [Hatsubutai Ayano](#), [Corro Adlich](#) and Rryuza Kurodai, attempted to save the [TaishoKetsurui-Motoyoshi Katsuko](#) while fighting the crew infected by the KAMI unit, which called itself Ichiro. However, they were not successful in freeing her.
- [Ketsurui-Motoyoshi Katsuko](#) is forced to kill [Shimizu-Motoyoshi Akina](#) ([清水本吉明菜](#)) during the infection and eventually frees herself.
- In the end, Ichiro fled to the 5th XF's flagship, the Akuro, in an attempt to attack the [Nepleslian Star Empire](#). Along with Juro Ichiro, the attack was foiled and the flagship destroyed.

### Ichiro Incident Aftermath

- Bard Cluster colonies strengthened.
- [Yukari Freeman](#) departs the fleet.

## The Battle of Murf

- [Corro Adlich](#) assigned as captain of the *YSS Namiko*.
- *YSS Namiko* and attached ships are destroyed at [Murf](#) by the [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#)

## Death of Katsuko

- [Ketsurui-Motoyoshi Katsuko](#) arranges her own death unable to cope with the losses of [Shimizu-Motoyoshi Akina](#) (清水本吉明菜) and [Corro Adlich](#).
- [Koyanagi Mayumi](#) replaces Katsuko as [Taisho](#) of the fleet.

## Battle of Taiie

- [Taiie](#) is destroyed by the [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#) creating the [Taiie Nebula](#). The fleet is nearly entirely destroyed during the battle.
- First documented encounter with the [Shlarvasseroth-class Flagship](#)

## Aftermath of the Battle of Taiie

- Survivors from Taiie are scattered across the Empire, including to [Pisces Station](#) where they are faced with harsh conditions under the command of [Taisa](#) Marina Arisa. Bad conditions create a feeling of separation between the ranks of the fleet and the Empire.
- [YSS Yugumo](#) launched under the command of [Motoyoshi Kiyoko](#)
- Motoyoshi Bafuku created

## YE 30

In [YE 30](#):

## Rise of the Bakufu

- Under the reigns of [Koyanagi Mayumi](#) the Fleet is restored and the Motoyoshi Bafuku increases its power adding tribute families from within the population of survivors of Taiie and the personnel of the fleet.
- The Tange, one of the tribute families within the Bakufu begins to gain power by concentrating high ranking members of the fleet into its membership.
- [Motoyoshi Kiyoko](#) becomes heavily influenced by the Tange, who have begun to voice treasonous opinions towards the Empire.
- The Fleet proceeds to [Pisces Station](#) to confront its commander about the treatment of Taiie survivors. Thanks to the involvement of [Kessaku Irim](#) a potentially volatile situation is averted.
- [Motoyoshi Tio](#) among those recovered from Pisces.

- [Ketsurui-Motoyoshi Katsuko](#) is restored. Returns to duty after evaluation as commander of the fleet.
- [Ketsurui-Motoyoshi Katsuko](#) creates [Motoyoshi Fleet Yards](#) and [Koyanagi Mayumi](#) retires from the Star Army to take control.

## Politics & Betrayals

- The Hanabusa Tributary commits treason to the [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#). [Motoyoshi Kiyoko](#) remains in contact with members of the tributary forming a secret alliance with a Ghost Mishhu named [Angelica](#).
- The Bakufu continues to gain power.
- [Yugumo Cluster](#) colonized by the Fleet. Is made the new home of the survivors of Taiie and headquarters for the fleet.
- The [Ascendancy-class Flagship, YSS Akuro III \(Later UCS Akuro III\)](#) is constructed and launched.
- Tange-Katsura Ayana sent as representative to the Senate.
- The Fleet returns to [Yamatai \(Planet\)](#) and [Ketsurui-Motoyoshi Katsuko](#) becomes Empress of the [Yamatai Star Empire](#).

## Battle of the Great Lighthouse

- Connections grow between [Motoyoshi Kiyoko](#), the [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#) and Hanabusa traitors. Efforts to investigate the connections are terminated when [Koyanagi Mayumi](#) joins the secret alliance and begins to plot against the now Empress [Ketsurui-Motoyoshi Katsuko](#).
- [The Free State](#) is found to be conducting operations in [Halna](#) which is determined to be undermining the Empire's sovereignty.
- [Ketsurui Yui](#) is dispatched to the [Great Lighthouse](#).
- [Motoyoshi Kiyoko](#), [Koyanagi Mayumi](#), and members of the Tange utilize the military action of the Empire to create feelings of no confidence towards Empress [Ketsurui-Motoyoshi Katsuko](#) and [Ketsurui Yui](#).
- [Motoyoshi Kiyoko](#) leads a group of [Sfrarabla Mishhuvurthyar Xhrafuklurp \(SMX\)](#) and Fifth Expeditionary Fleet ships to the [Great Lighthouse](#) to assassinate [Ketsurui Yui](#).
- Empress [Ketsurui-Motoyoshi Katsuko](#) discovers her daughter's betrayal and dispatches the newly finished [YSS Akuro III](#) which assists [Ketsurui Yui](#) in dispatching the traitors.

## Aftermath of The Battle of the Great Lighthouse

- [Koyanagi Mayumi](#), [Motoyoshi Tio](#), and elements of the Motoyoshi Bafuku utilize the Battle at the [Great Lighthouse](#) and the [Freespacer Massacre and Related Battles](#) as propaganda to trigger the treason of the fleet and colonies of the Yugumo Cluster creating the [United Outer Colonies](#).
- In shame of her family's actions [Ketsurui-Motoyoshi Katsuko](#) steps down as Empress.
- The Fleet is disbanded and its assets are returned to the Empire and redistributed and/or mothballed.

## YE 41

[Takeda Tachiko](#), the Chief Medical Officer of the [YSS Yukika](#), was found in stasis by the [YSS Eucharis](#) where she had been since [YE 29](#) after escaping the destruction of [Taiie](#). Inside the stasis tube with Tachiko was the genetic survey of [Taiie IV](#)'s biosphere, including the genetic code of its extinct flora and fauna.<sup>51)</sup>
