History

The First Expeditionary Fleet was formed early in the Star Army's history, probably in [YE 22](#). At that time it was based out of [Hoshi no Iori](#) and commanded by [Ketsurui Yui](#).

Fourth Elysian War

The First Expeditionary Fleet participated in the [Fourth Elysian War](#).

First Mishhuvurthyar War

The First Expeditionary Fleet participated in the [First Mishhuvurthyar War](#).

In [YE 29](#), the [YSS Sakura](#) received orders to meet with the rest of the First Expeditionary Fleet for an attack on [Refidh^{1\)}](#)

Second Mishhuvurthyar War

During the [Second Mishhuvurthyar War](#), the First Expeditionary Fleet was heavily involved and conducted the final raid on the [NMX Headquarters](#) at [Rabaal System](#) in [YE 34](#).

Kuvexian War & Reestablishment

In [YE 41](#), following a major conflict with the [Interstellar Kingdom Of Kuvexia](#), the majority of the existing First Expeditionary Fleet was de-established and remaining ships were transferred to the [First Fleet](#) per the orders of COMSTARARMY [Ketsurui Yui](#). The [orders](#) for re-establishment were made immediately, and [Ketsurui-Motoyoshi Katsuko](#) was given the command and oversight of the rebuilding of the fleet from scratch.

Taisho [Ketsurui-Motoyoshi Katsuko](#) has promised that the new First Expeditionary Fleet will set a new standard of Expeditionary Warfare for the [Star Army of Yamatai](#).

Its Headquarters was moved to the [Jiyuu System](#) in [YE 41](#) along with the rest of the fleet.

In [YE 42](#), after the completion of the [YSS Tokyo](#) and over three hundred ships, the re-establishment was considered a success. It would be just the beginning as the fleet began to take an active role in the [Kuvexian War](#).

Battle of Glimmergold

In 1月 YE 43

Major Timeline Entry: [Battle Of Glimmergold](#)

The [YSS Tokyo](#) led the [Tokyo Expeditionary Battlegroup](#) and the [Taihō Expeditionary Strike Group](#) into battle first at the liberation of the [Scrapyard System](#) and then at the [Battle Of Glimmergold](#). The [YSS Tokyo](#) was commanded by [Taisho Ketsurui-Motoyoshi Katsuko](#) and [Shôshô Motoyoshi Eri](#); they were joined on the bridge by [Tokyo Himawari](#), the ship's avatar, and [Taisa Kage Yaichiro](#). The brave pilots of the [17th Stratigic Bomber Group](#), "[The Dragons](#)" seen action in the battle. [17th Strategic Bomber Group "Dragons"](#) pilot, [Sasaki Miyu](#) ended up in command of the group and performed with notable bravery. The [First Expeditionary Fleet](#) assisted in the defense of the [Essai](#) Machine Planets and provided fire support for other [Star Army of Yamatai](#) units.

Aftermath

The [YSS Tokyo](#) took severe damage in the battle and in its aftermath is expected to be at [Gemini Star Fortress](#) for three months or more for repairs. Following the [Battle Of Glimmergold](#), [Taisho Ketsurui-Motoyoshi Katsuko](#) retired from the service of the [Star Army of Yamatai](#) with the hopes of making a run for public office. [Chujo Motoyoshi-Yamada Ayano](#) was named acting commander of the [First Expeditionary Fleet](#).

Those who participated in the battle were awarded the [Glimmergold Star](#), and took part in [Victory Day YE 43](#) celebrations. The remains of the [17th Stratigic Bomber Group](#), "[The Dragons](#)" were transferred to the [YSS Mazu](#).
