Nitô Juni

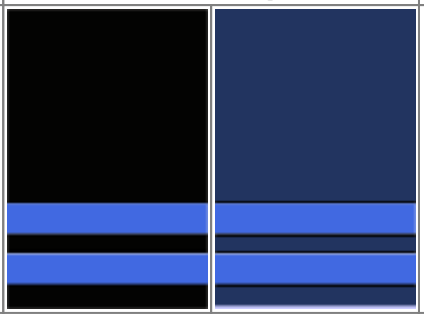

Nitô Juni (二准尉; Warrant Officer Second Class; typically referred to as just *Warrant Officer*) is the middle of three warrant officer ranks in the Star Army of Yamatai. The rank above is Ittô Juni; the rank below is Santô Juni. Warrant officers are experts in their specialty. In casual or combat situations is acceptable to just say “Juni” rather than the full rank title.

For clarity, this is *not* a non-commissioned officer (NCO) rank.

The rank pin consists of a blue enamel triangle with the officer's fleet logo nestled in the center of a silvery metallic circle.

History

The Star Army phased out the warrant officers and promoted them all to regular officers in YE 43.
