

Star Army Undergarments

The [Star Army of Yamatai](#) produces and purchases a large variety of undergarments ([Underwear](#)) for its soldiers. This article is a general article covering the types of undergarments the Star Army uses.

All undergarments were previously issued in black but circa [YE 40](#) the Star Army began moving to regal blue undergarments.

Issuing Process

As part of their standard issue, soldiers in the [Star Army of Yamatai](#) get sets of undergarments. Often

each category of undergarments (e.g. underwear) has multiple styles. When multiple options exist, soldiers are allowed to individually select their preferred style (e.g. briefs or boxers).

Unlike most uniform items, undergarments are on the list of issued items but not the list of turn-in items; they should be used and then thrown away when no longer serviceable or needed. This is because Star Army undergarments considered an expendable item like a ballpoint pen or a can of engine oil, and thus the Star Army does not ask for them to be returned when a soldier [leaves military service](#).

Additional undergarments are available for purchase at any [Star Army Clothing Store](#) for 1 KS per item.

It is permitted to wear non-standard underwear too as long as they are not visible and do not cause issues with the appearance of the uniform that's worn over it (e.g. weird bulges/lines, etc).
