The Star Army® Wiki

This wiki is the Star Army® community's encyclopedia, index, and concordance for our unique, ever-growing shared fictional universe and it is our guidebook for participating in and contributing to the Star Army Roleplay (SARP). It contains over 11,300 articles and 8,700 media files (mostly pictures). Imagine how many printed RPG sourcebooks that would fill!

In general, everything that happens in the Star Army RP is canon, so please add information about any events that occur and characters who appear, so that we can keep the universe internally consistent. Your creative contributions are also encouraged. You can expand the edges and fill in the gaps of the setting. Also feel free to fix any typos you find and update outdated pages. Be bold!

Important: Please note the wiki's login is separate from the forum's login system.
