

YE 33

YE 33 was an in-character [Yamataian Calendar](#) year that began January 1, 2011 and lasted until December 31, 2011. Events primarily centered on the ongoing [Second Mishhuvurthyar War](#) and the end of the United Outer Colonies.

Notable Events

Independent

International Events

- Corporate Relations Conference attempts to settle on international ammunition standards

Nepleslia

- [Operation Chevalier](#) unofficially begins as a Red Hill-class transport carrying a single squad is waylaid in deep space.
- Battle of Artume, 4th fleet secures the Artume system after a brief conflict

Yamatai

Yamatai remains locked in a bloody struggle with the Mishhuvurthyar.

- [Task Force Torch](#) enters the [Mitsuya System](#) to investigate the UOC. It is ambushed by the [NMX](#) and only 6 of 36 ships make it out.
- [YSS Eucharis](#) reveals the jamming station in the Jiyuu system, helping to start the dismantling of the UOC Blackout zone.
- The [Tamahagane Clan](#) purchases [Emrys Industries](#) and [Taichimora Entertainment Technologies \(TET\)](#) which combined with their [Tamahagane Company](#) to create the [Tamahagane Corporation](#).
- The [Scientific Studies Service \(SSS\)](#) develops [Osmiridium](#).
- The [Seventh Fleet](#) is launched and begins operations under the command of [Taisho Ketsurui-Motoyoshi Katsuko](#). [Toushi Starfighter Squadron \(7SF-01\)](#) is formed under [Taisa Motoyoshi Misato](#).
- The [Seventh Fleet](#) works on a cleanup operation at the [Great Lighthouse](#) as a symbol of good will on behalf of the [Yamatai Star Empire](#) to the [The Free State](#)
- The [Second Expeditionary Fleet](#) launches a coordinated attack on the North Gate of the KMS. Joined by forces of the 6SF, they drive out the NMX.
- [Nataria](#) is retaken by the [Star Army of Yamatai](#).
- The Goumon system is renamed [Kotori System](#) by [Empress Himiko I](#), to honor [Kotori](#). The prison on the planet is designated a holding facility for NMX Nekovalkyrja prisoners of war.
- [Seventh Fleet's Hotaru Star Fortress](#) is invaded by NMX parasites as a prelude to an NMX invasion of SAoY space. Data on FTL upgrades for the Star Fortress is stolen. [Toushi Starfighter Squadron \(7SF-01\)](#) sees heavy hand to hand fighting.
- [Battle of Yamatai](#)
- [Project THOUGHT](#) discovers the existence of the [Tachibana Clan](#) and the [SC Agent](#). The fighting becomes known as the [Tachibana Incident](#), culminating in the invasion of [Nishitama](#).
- The [Seventh Fleet](#) deploys a force to ascertain the situation at [Xylar](#) and plant spies in NMX forces as a prelude to combat operations. [YSS Jikogisei](#) is lost damaging a previously unknown captured enemy Star Fortress. NMX forces deploy to attack [Cellondora](#).

United Outer Colonies

- At the start of YE 33, the United Colonies lies in ruin, with Mishhuvurthyar forces roaming it virtually unchallenged in large numbers.
- [Augustus Dietrich](#) begins a movement to evacuate the UOC.
- Yamatai declares that since the UOC government has fallen, the UOC territory is now under YSE control again.
- After Dietrich's expedition and [Star Army of Yamatai](#) evacuation missions, the remaining population of the UOC is mostly removed and evacuated to refugee camps.

Related

- [Xiaah Harr'Ikke "Destiny" Tur'Lista](#) was killed in combat, in the process of defending United Outer Colonies evacuation ships and refugees against NMX combatants.
- [Lorath Matriarchy](#) re-establishes itself as an independent state, while consolidating their defensive

assets, and establishing a base of operations in the north, in the Biesi system.
